2 TECHNICAL DETAILS

2.1 The Asian Junior Figure Skating Challenge will be conducted in accordance with the Technical details as follows. The ISU Judging System will be used for results calculation.

- a) The Asian Junior Figure Skating Challenge 2018/2019 will be conducted in accordance with the ISU Constitution and General Regulations 2018, the ISU Special Regulations and Technical Rules Single & Pair Skating and Ice Dance 2018 and Synchronized Skating as well as the pertinent ISU Communications.
- b) The base value and the Scale of Values (SOV) of all elements for Elite Junior Group are published by the pertinent ISU Communication. The base value and SOV for all elements which have not assigned in the relevant communications will be assigned by the AJFSC Organizing Committee.
- c) The final score of each segment is calculated by adding up the Total Elements Scores and the Factored Program Component Scores after subtracting any program deduction.
- d) The scores of the Short Program and Free Skating are added and the results constitute the final score of a competitor in an event. The participant with the highest total final score wins.
- e) Tie-break Rules

i) Segment

If two or more competitors have the same rank, the Total Element Score will break the tie in the 1st segment and the Program Component Score will break the tie in last segment. If these results are also equal, the competitors concerned will be considered tied.

ii) Event

If two or more competitors receive an equal total for all parts of the event combined (final result), the best placement shall be decided on the basis of the best placing for last segment. If this is equal, the competitors concerned are tied.

2.2 There are nine (9) individual Figure Skating categories for both Men and Ladies:
